25X1 9. [] Dropped by the office of Congressman Richard Schweiker (R., Pa.) and left with Miss Marilyn Hewitt certain material to help a State Senator in the Congressman's district prepare a speech on employment opportunities within the Federal Government. I reviewed this material with Miss Hewitt and she said it more than answers the questions raised by the State Senator.

25X1 10. [] Spoke with Mr. Ervin Jacobs, in the Social Security Administration. Mr. Jacobs was on the staff of the Cabinet Committee on Federal Staff Retirement Systems. He gave me helpful background on the "transfer of credit" proposal and a point of contact for technical review of legislation in the General Counsel Office, HEW.

25X1 11. [] Met with Mr. Paul Nelson, Staff Director of the House Banking and Currency Committee, and discussed with him the handling of the questions raised with the Director by Representative Blackburn in connection with the Director's briefing of the Committee on the proposed Fiat agreement. Mr. Nelson suggested that since our response was classified we send it to the Chairman with a request that it be handled as part of the transcript of the briefing and under the same arrangements. We are to prepare a letter to the Chairman to this effect.
